**Minutes** of March meeting: The statement that only Julie used Facebook was inaccurate. Both John and Teresa also use it from time to time.

**Food Collections:** The food collection was very well supported again. Peter and Julie took the collection to Christian Care where it was very gratefully received. Christine is taking some children's clothes to Barbara Moreland. Barbara is also accepting older children's clothes, and shoes, and coats for mothers. Christine will enquire whether it would be helpful for us to have a collection of **good quality** items.

The Justice and Peace page in **Talkabout** was very attractive and colourful. Teresa will ask Melissa for a paper copy for John.

**Rymans:** Christine received an email from Rymans advertising many ethical products. Julie will forward this with the minutes.

**Possible date for Peace Service:** With lifting of restrictions still uncertain, we will wait till June to make a decision. John suggested that rather than a Peace Service we might hold an "ecumenical service". To be considered when the future is clearer.

**Any Other Business:** John suggested that we should continue meeting on Zoom even after lockdown. It might be more attractive on winter evenings. Many members prefer face to face meetings. Alternatively we could consider morning meetings in winter, but this would exclude those who work. We might try a morning meeting in July.
